The Meaning Of Idleness

1Tim 5:13
And withal they learn to be idle, wandering about from house to house; and not only idle, but tattlers also and busybodies, speaking things which they ought not.

From the Greek Concordance
Greek: ἀργός
Definition: From G1 (as a negative particle) and G2041; inactive that is unemployed; (by implication) lazy useless: - barren idle slow.

Idleness is simply not having the focus and awareness in one's own life, but rather judgement of the outside world. The focus on everything and everyone else but one's own self.
Judgement of the flesh world is the "self" conforming to, and the "desire to" have the world conform to one's own expectations and not God's.
Not only is it a lack of faith and trust in God, but then the soul is not living from and through one's own spiritual self, but creating a deeper idleness and the lack of growth in one's own self, and not from the hearts perspective of love and understanding.
